

The Player and Family Friendly Girls Basketball Club in the State of Kansas

“Building Champions through Communication, Trust, Caring, Price and Collective Responsibility”

The Lady Prospects AAU Basketball Club is a non-profit girls basketball program based in Lawrence, KS. Established in 2005, our program provides girls basketball players an educational experience through basketball participation. Our student-athletes, with the assistance of our coaching staff, will learn about teamwork, leadership, sportsmanship, and self-confidence through our practice sessions and workouts. Through our skill development and competition program, the player advances to the next level of competition with self-confidence.

Our remarkable record, level of competition, and exposure is what makes our program special. Because of our success, we have been invited to participate in several events around the Midwest and across the country. The Lady Prospects play in these events against other elite programs. These programs and events are the apex in girls basketball and attract a majority of college recruiters and coaches to view players for scholarships.

**That’s where you come in!!!**

We believe these opportunities should be open to all student-athletes regardless of race, creed, color, religion or social-economic background. It's because of you, the sponsor or donor, we're able to provide these opportunities. Because some of our players are not financially able to participate fully in our program, they rely on the generosity of donors & sponsors to cover their club fees.

The Lady Prospects prides itself on being a family and giving young student-athletes the opportunity to play basketball throughout the state of Kansas. Just like any family, the economy has hit club basketball as well. With expenses such as equipment, tournament entry fees, gym rentals and travel increasing, funds from community resources are a necessity. Any contribution is critical to our success as a program.

**Thank you for your support!!!**

All donations are tax deductible and will be used for the benefit of our student-athletes.

When you invest in our program, you are contributing to the future male and female leaders of our communities.

With that, you are more than welcome to attend any practice, workout or game. As much as possible, we want you to be apart of our family. Once again, thank you for your contribution and feel free to contact us with any questions or concern.
